Spread the Word!

Lower Cape Outreach Council in partnership with Chatham Elementary School will provide non perishable food for your child to assist him or her when food is not consistently available at home.

There is no cost to this program.

Distribution is done in a discreet manner.

Children will be provided with nutritional food that they can eat at home, weekdays, weekends and out of school times. This program is also available for student’s siblings regardless of their enrollment status.

Offering:

• Protein
• Grain
• Dairy
• Fruits and Vegetables twice a month
