

Construction Trade Training Program Information Sessions

Register now for Cape Cod Community College's Information Session to learn how you can participate in this FREE (grant-funded) training program and start your career in the construction industry! A 60-hour internship with a local employer is included in the program.

Choose Between Two Educational Tracks:

- **Track One:** Construction Worker Basics
- **Track Two:** Office Administration and Project Management for the Trades

All interested participants **MUST** attend an information session to be considered for enrollment in the program.

Date: Wednesday, January 9, 2019 **Time:** 6-8pm
