

# Domestic violence programs for survivors

**If you are a victim of abuse, you are not alone. Here you'll find resources from around the Commonwealth to help you.**

There's more help available to you (and your children) than ever before. You, and only you, can make the decision to change or permanently end the abusive relationship you endure on a daily basis. No one deserves to be abused. Listed below are numerous domestic violence programs available across Massachusetts.

**If you or someone you know is in immediate danger or is in an emergency, please call 9-1-1.**
